SENIOR CENTER NETWORK
Grand Traverse County Parks & Recreation

Learning for Longevity is a monthly health series offered through a collaboration between Munson's Community Health Library and the Grand Traverse County Senior Center Network. For more information, contact the library.

Supercharge Your Caregiving!

November is National Caregivers Month - and we all know the first rule of taking care of others: take care of yourself first! Caregiving can be a rewarding, but it also can be physically and emotionally demanding. The stress of dealing with caregiving responsibilities leads to a higher risk of health issues among the Nation's 90 million family caregivers. This presentation will help you be a more effective caregiver, and give you the tips and tools you need to improve caring for yourself. You will also learn about the Munson Home Health services that can assist in coping with the demands of caregiving.

Questions? Call Anne Bodnar, Munson Home Care Senior Business Development Specialist, at 231-035-6520.

About Our Speakers

MaryBeth Peterson, RN, BSN, has a Bachelor of Science from Ferris State University and has been working as an RN since 1991. MaryBeth began working with Munson Private Duty in 2009 as the RN Service Coordinator and starting in July, 2018, has been the Clinical Supervisor with Munson Private Duty.
