

Is it a heart attack?

Look for these signs.

Having Symptoms? Call 911.

If you or someone you know is having symptoms of a heart attack, **call 911** immediately.

Life-saving care can begin immediately in the ambulance.

The ambulance will alert the hospital and your heart team will be waiting.

Do **NOT** drive yourself to the hospital.

When in doubt, **call 911**. Every second counts.
