Behind Closed Doors: The Reality of Human Trafficking

Wednesday, May 8
11:30 am - 1:05 pm (ET)

Presenter Hawra Khraizat, MA, LMSW

Human trafficking survivors require healthcare that is trauma-informed and culturally sensitive to their needs. Coordination is needed between health providers and statutory and voluntary organizations. Attendees will be educated on the legal definition of sex trafficking, top 3 ways victims are recruited into sex trafficking, the impact of sex trafficking in Michigan, behavioral characteristics of victims, methods of grooming, and how traffickers control victims physically & psychologically.

1.5 CEs: NASW National, SW Michigan, Nursing, Case Management & General

Sponsored by BrightStar Care of Northern Michigan
