

# Allergies: Adding a Comment for Nurses

Cerner PowerChart EDUCATION

## Adding a Comment

A comment can be added to an allergy entry when completing Allergy Reconciliation upon admission or at any time pertinent information needs to be added during the patient's hospitalization.

### Add a Comment When Completing Allergy Reconciliation

1. Complete required fields:

- Type
- Substance
- Reaction
- Info source
- Category

2. Click **Add Comment**.

3. Enter information in the pop-up Comments box.

4. Click **OK**.

5. Click **OK** in the Allergy window if done entering allergies or **OK & Add New** to add additional allergies.

### Add a Comment to Existing Allergies

1. Go to Allergies in the patient's chart from one of three locations:

- a. Nursing workflow Allergies hyperlink.
- b. The Allergies tab on the dark blue menu.
- c. The Allergies hyperlink on the demographic bar of the patient's chart.

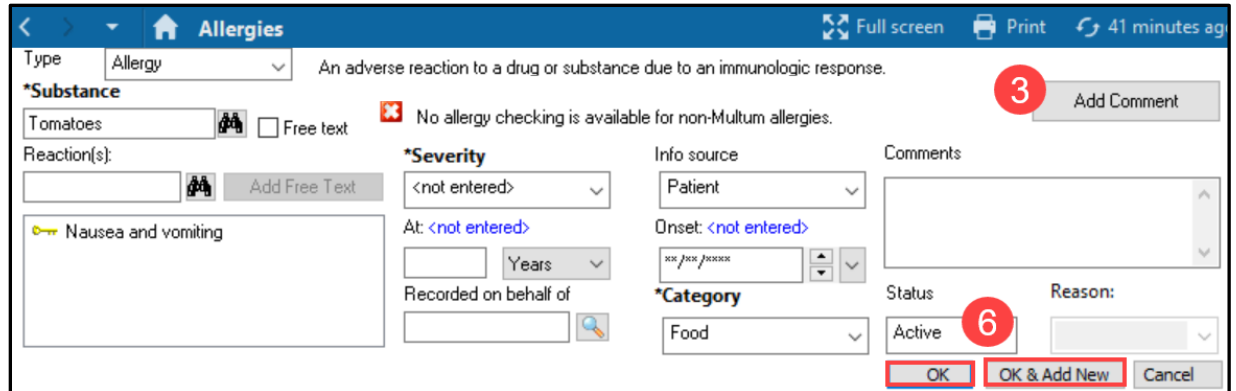

2. Select **Modify** using one of these methods:

- a. Highlight the allergy and click the **Modify** button.
- b. Right-click on the allergy and select **Modify**.
