

Allergies: Adding a Reaction for Nurses

Cerner PowerChart EDUCATION

Add a Reaction to Previously Documented Allergies

Use **Modify** to add a new reaction to previously documented allergies.

1. Go to Allergies in the patient's chart from one of three locations.

a. The Allergies hyperlink within the Adult or Pediatric Intake - Nursing Workflow

b. The Allergies section from the dark blue Menu.

c. The Allergies hyperlink on the demographic bar.

2. Select **Modify** using one of these methods.

a. Highlight the allergy and click the **Modify** button.

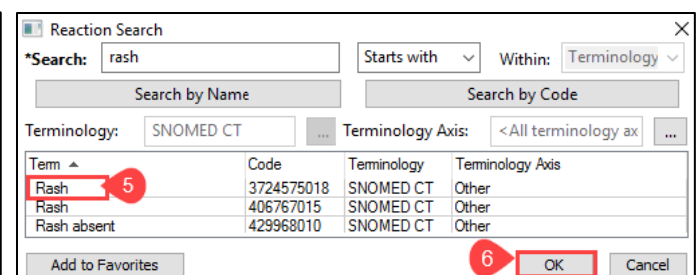

b. Right click on the allergy and select **Modify**.

3. Enter the new reaction in the Reaction(s) field.

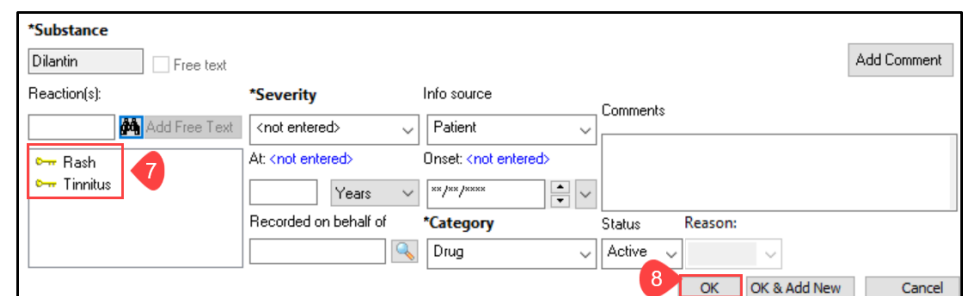

4. Click the **binoculars**.

5. Select the reaction from the list.

6. Click **OK**.

7. The new reaction displays.

8. Click **OK**.
