ED Observation Checklist for ED Observation Providers

ED Observation Checklist

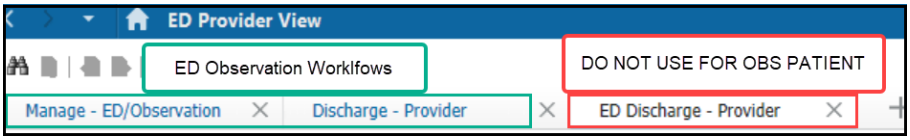
Admission

✓ Potential admission order-ED Observation
✓ Confirm patient meets ED OBS criteria, enter Decision to Admit order

☐ Update provider assignment if necessary

Use **Manage-ED/Observation Workflow** to document/order:

☐ Admission Medication Reconciliation (access from Home Medications component)
☐ Core Admission PowerPlan
  ☐ DVT Prophylaxis (Demo)
☐ Secondary PowerPlan as needed
☐ Create Note: Admission H&P



Daily Documentation

☐ Create Note: Observation Progress Note (accessed via Manage-ED/Observation Workflow)

Discharge or Facility Transfer

Use **Discharge-Provider Workflow** document:

☐ Problem List
☐ Follow Up
☐ Discharge Med Rec (Home Medications component)
☐ Discharge Order (Discharge or ED OBS Decision To Transfer)
☐ Patient Education
☐ Create Note: Hospital Summary

Observation to Inpatient Transfer

☐ Document Observation Progress Note-to capture handoff to admitting provider

Note: Admitting Provider enters Transfer To (Gerneral Med/Surg, ICU & Intermediate) Order, modifies the Core Admission Patient Status, and completes the Transfer Med Rec.
