

Meaningful Use CHPL Numbers

June 2014

CHPL Number

- 2011 certified code and 2014
- Ambulatory (EP) verses Inpatient (EH)
- Certifying body – not really necessary
- Vendor
- Product Version
- Product Classification (modular or Complete)
- Additional Software

CHPL Number

- Audit – what do you need (contracts, letters showing the provider having access (legal right to use), include ALL software modules)
- Looking at what is certified (menu items, QM's)
- Add to cart
- Need 100%, get CMS EHR certification ID
- COPY the ID number (zeros's look like O's, I look line 1).
- Copy of the screen of the CHPL list
