**In this issue: CHANGES TO CLOSTRIDIoidES
DIFFICILE TEST ORDERING**

August 2023 Volume 12

Emily Wilson, MT(ASCP)
Kyle A Carr, MD
William A Kanner, MD
Editors

As of August 28,2023, Clostridioides difficile will no longer be included as a test result in the Biofire GastroIntestinal Panels.

Testing for Cdiff is based on protocol regarding sample criteria with reflex testing as appropriate. The process and codes to order Cdiff testing remain unchanged.
