LabMed Report

A publication of: Munson Healthcare Laboratories Grand Traverse Pathology, PC Physicians Diagnostic Support Service

In this issue: Michigan Lyme Disease Testing

August, 2022 Volume 5

Editors: Kyle Carr, MD Nolan Campbell, MLS(ASCP) Emily Wilson, MT(ASCP)

The State of Michigan Department of Health and Human Services has changed Lyme disease testing from serology with Western blot confirmation to an equivalent or better 2-step enzyme immunoassay (EIA) testing platform.
