Review Orders For Potential Authorization Task 01/22/24 9:16:53 EST, Dx SOB (shortness of breath), Review Orders For Potential Authorizations Task
 Comments: Ordered by SYSTEM when **EKG - UC** 03000 was Order by TSTAcctCollison PA, PAUC9 Holly, 4386719543.0.

The comments will contain details from the originating order.

If the Potential Authorization Task is for an **EKG** or **x-ray order**, **complete (chart Done) the task**.

If the Potential Authorization Task is for any other order, **leave the task for the clerical staff to complete at a later time**.

The **Orders Complete** green status will still display if Potential Authorization Tasks are left in the Activities column, as long as all other tasks and patient care orders are completed.
