

Behavioral Health Limited License with Supervising Physician Workflow for Providers

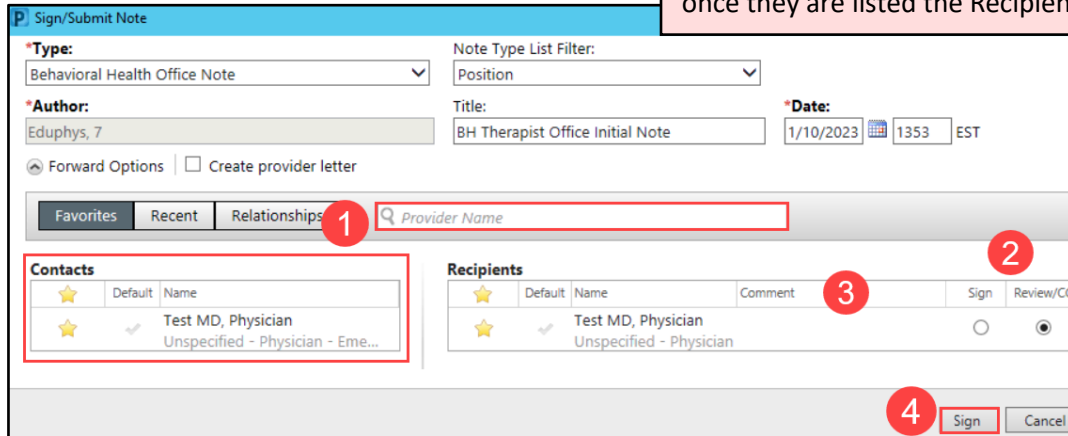

Cerner PowerChart Ambulatory EDUCATION

Limited License Note Forward

For a provider with a limited license, dynamic documentation notes will need to be forwarded to the supervising Behavioral Health provider for co-signature. To forward a note upon signing it:

1. In Sign/Submit window, enter the supervising Behavioral Health provider in the Provider Name search box or select a recipient from favorite contacts.
2. Select if the recipient should Sign or Review/CC the note.
3. Enter in a comment, if needed, such as the billing code.
4. Click Sign.

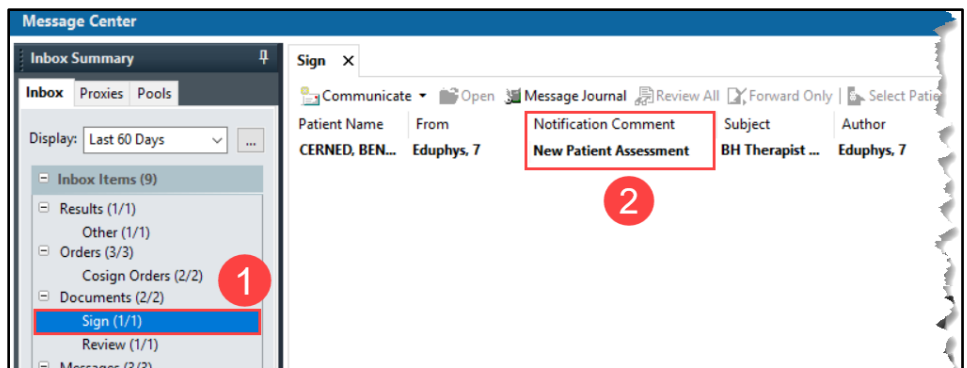

To favorite a supervising provider, click the star in front of the provider's name once they are listed the Recipients area.

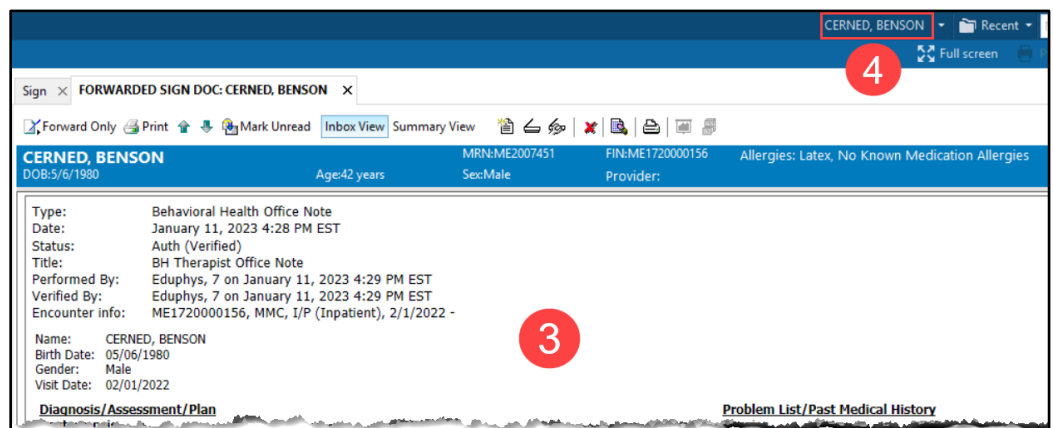

Supervising Physician Workflow

Notes needing to be co-signed by a supervising Behavioral Health provider will appear in the Message Center of the supervising provider. To co-sign a note:

1. Navigate to the Sign subfolder within the Documents folder of the Message Center Inbox.
2. Review the Notification Comment for the billing code. Double-click on the document to open it.

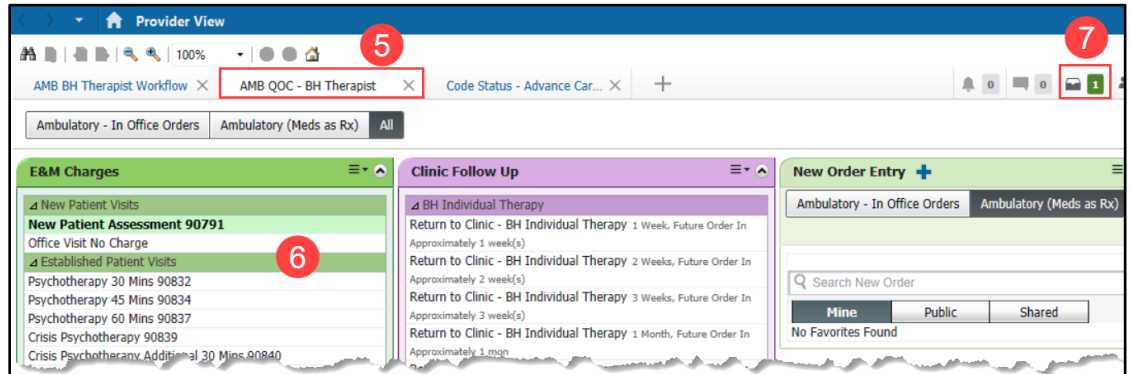

3. Review the document.
4. Click on the patient's name next to the Recent folder to open the patient's chart.

Cerner PowerChart Ambulatory EDUCATION

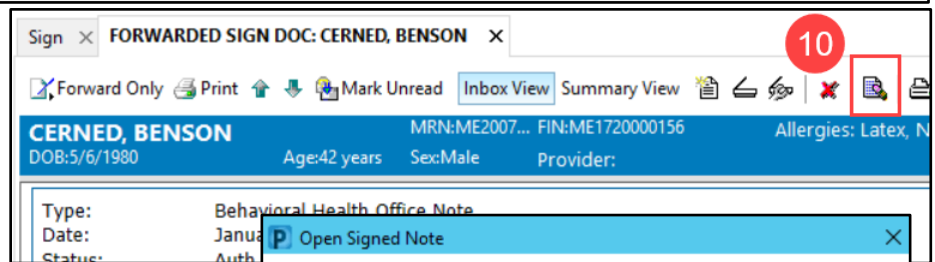

- Navigate to the AMB QOC – BH Therapist MPage.
- Select the appropriate E&M Charge.
- Click on Orders for Signature.

- Associate the order with the correct diagnosis.
- Click Sign.

- Return to the document to sign in the Message Center. Click Modify.

- Select Addend Note, and then click OK in the Open Signed Note window.

Note: Revise Note allows the provider to revise sections of the note, if applicable.

- At the bottom of the page under Addendum, type in attestation statement.

- Click Sign. This will co-sign the note and add the Addendum.

Note: If a note does not need an Addendum, open the document in the Message Center and click OK & Close or OK & Next to co-sign the document.
