Transmission Start: 11/10/16 10:39
 Sent by: Poynor RN, Shelly L
 Correspondence type:
 Payer/Plan: Medicare/Priority Medicare
 Authorization:
 Number of pages sent: 165
 Fax Number: 916169758868
 Comment: Auth#161102610

When you hover over the Status field you get a yellow pop up with basic information; phone number, number of pager etc.

Status	Notes
Untransmitted	The fax is waiting for an open phone line.
Queued	The fax is being faxed to the receiving fax number.
Transmitted	The fax has been successfully sent.
Cancelled	The fax has been cancelled and was not sent.

To get additional information (session log) on the status of the faxes instead of hovering on the status Click the status. The session log will show you the current status of the fax and any error messages:
