# DMO with Meditech Quick Reference Guide for OMH Hospital Providers

Nuance Dragon Medical One **EDUCATION**
Educational Resources

Use this QR code for quick access to Dragon Medical One (DMO) educational resources.

Launching DMO with Meditech

1. Open Citrix StoreFront by typing **storefront.mhc.net** into a web browser or by clicking on the Citrix Workspace icon on the desktop.

2. Click on the Dragon – ED icon.

Note: If the Dragon – ED icon is not on the Citrix Workspace HOME screen, click on APPS at the top of the screen.

Dictating

Within Meditech, fields with the paper and pencil icon are available to use DMO dictation for documenting information.

- Place the cursor in the text box then hold the red button on the DMO microphone.

Place cursor and use DMO to dictate directly into the text box.
