Estimated Date of Delivery (EDD) Maintenance

The EDD Maintenance Component should NOT be modified. If an EDD needs to be adjusted, due to a finding on an ultrasound, a new EDD must be added.

Follow the steps below to add an EDD:

1. Within the AMB Prenatal Postpartum Workflow, click on the EDD Maintenance Component.
2. Click the plus sign and document in the following areas:
 - a) Method and the date of method.
 - b) EGA by Ultrasound.
 - c) Check the box beside Use this estimate for EDD calculations.
 - d) Click OK.
