Overnight Sleep Testing Workflow for Providers
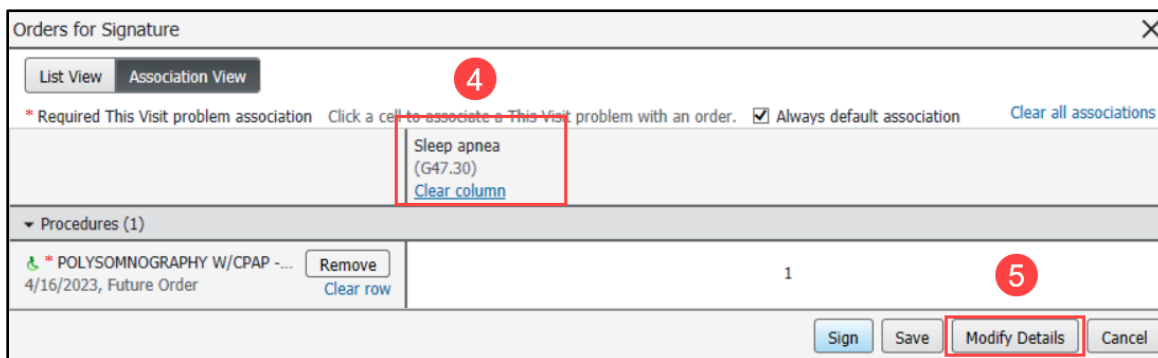

The following workflow for overnight sleep apnea testing is to be used by providers at the Traverse City and Cadillac Sleep Disorder Clinics.

Provider Overnight Sleep Apnea Testing Workflow

Providers will first need to order the sleep center testing, within a patient's chart:

1. Navigate to the AMB QOC – Sleep Disorder MPage.
2. Select the appropriate order.
3. Click the Orders for Signature icon.
4. Associate any relevant diagnosis to the order.
5. Modify any order details as needed.
6. Click Sign.

Once the sleep center testing is completed, the provider will then read and document the completed test.

1. Review the Sleep Disorder Diagnostic Study in the Message Center Inbox.
2. Sign the result by choosing OK & Close or OK & Next.
3. Select the Sleep Disorder Diagnostic Report Note at the bottom of the AMB Sleep Disorder Workflow.
4. Document the study details.
5. Click Sign/Submit.
6. Select the ordering provider as a recipient to receive the note and click Sign.
