Viewing Results Review

1. Click on Results Review in the dark blue Menu.

- 2. Select a tab to display the results in that category.
- 3. Tabs labeled Recent will display the last 7 days of results and tabs labeled Extended will display the last 18 months of results.
- 4. Select Table, Group or List to display Results in the specified format.
- 5. Select a result category from the Navigator within a specific tab to move the sheet.
- 6. Use the arrows on the left and right end of the search criteria bar to move in weekly or monthly increments.
- 7. The Show more results icon highlights to indicate there are more results to view for the selected set timeframe. If all the data is showing for the set timeframe, the button is dithered.
