

Bargaining Update – January 13, 2023

On Tuesday, January 10, Wednesday January 11 and Thursday, January 12, the representatives for Munson Medical Center (MMC) and the Michigan Nurses Association (MNA) met in person for our sixth bargaining session.

Tentative agreements were reached on three more non-economic proposals this week with lengthy discussions being held around work culture and work conditions. MMC also shared responses and counterproposals on several other non-economic topics.

The bargaining teams are scheduled to meet four times next week, as we continue to collaborate and work toward a new agreement by February 14.
