Confirmed	3,123	327
Probable	577	104
TOTAL	3,700	432

Current Data: COVID-19 Inpatients at Munson Healthcare

COVID-19 Incident Command System Summary

Updated: 01/12/2021

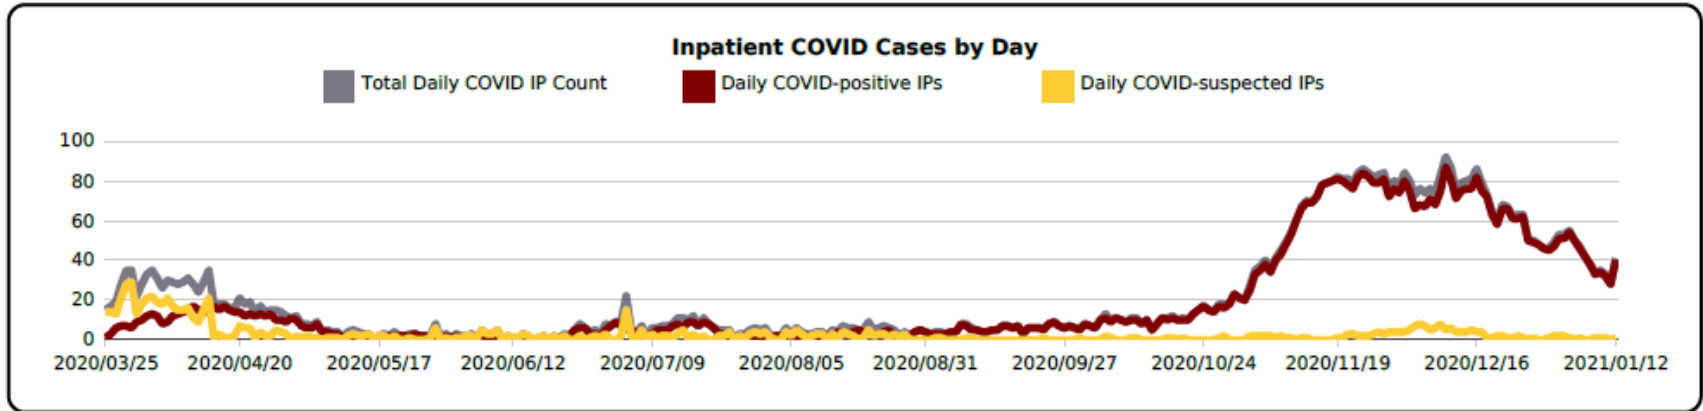

ENTITY NAME	DAILY COVID-POSITIVE IPs	DAILY COVID-SUSPECTED IPs	CUMULATIVE PATIENT DEATHS	CUMULATIVE EMP POSITIVES*
System Totals	40	1	141	491
KMHC				3
MHC Cadillac	4	0	16	44
MHC Charlevoix	1	0	3	17
MHC Grayling	4	0	23	40
MHC Manistee	4	0	7	19
MHC MMC	25	1	92	313
MHC OMH	2	0	0	49
MHC POMH				6

Counts are based on midnight census

Inpatients are those COVID-19 patients requiring hospitalization.

MHC Hospitalization Trends

Updated: 01/12/2021

COVID-19 is here. Northern Michigan, it's time to ACT.

COVID-19 cases are surging in our region and we need your help like never before. Avoid COVID-19 Today (ACT) by maintaining a safe distance, wearing a mask, and washing your hands. Together, we can slow the spread. Let's do this, northern Michigan!

munsonhealthcare.org/ACT

Even With a Vaccine, We Can't Let Our Guard Down

Keep your distance (6 or more feet) from people outside your immediate household

Wear your mask when you go out

Wash your hands frequently (or use hand sanitizer with 60% or more alcohol)

Dianne Michalek, M.A.

Chief Marketing and Comm Officer
Munson Healthcare

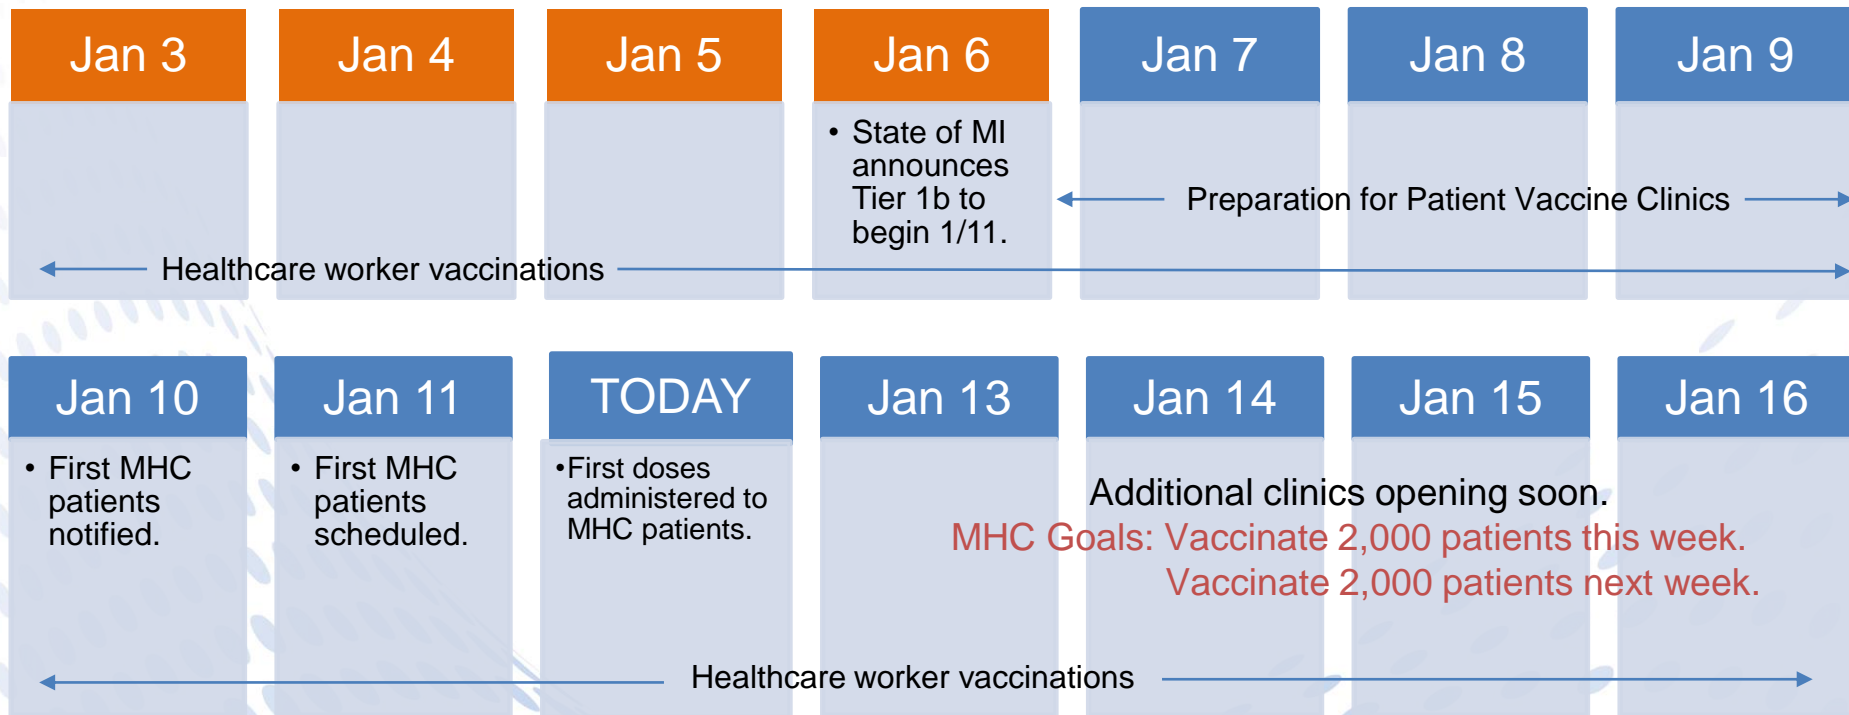

Healthcare Worker Vaccinations by Munson Healthcare

- As of January 11, **5,508** Healthcare Team members have received their first vaccine.

Data About Population Age 65+

State of Michigan (65+)

1.8M

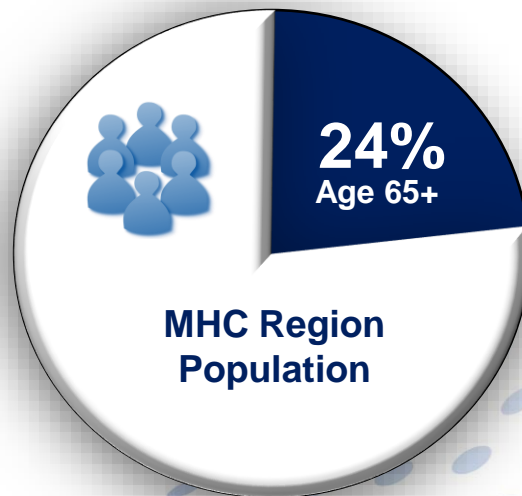

Munson Healthcare Region (65+)

132,000

Key Factors in distributing vaccine:

- SUPPLY
- SCHEDULING
- LOGISTICS

MHC Contacting Established Patients ~90 Years and Older

Prioritization Needed Due to Limited Supply of Vaccine

48,000 patients established at MHC Primary Care and Specialty Practices

- Boyne Area Medical Center
- Cadillac Primary Care
- Charlevoix Primary Care
- Empire Primary Care
- Frankfort Medical Group
- Graying Community Health Center
Eldercare
- Graying Community Health Center
Primary Care
- McBain Primary Care
- MHM (Manistee) Family Care
- MHM (Manistee) Primary Care
- Milliken Medical Group
- Milltown Clinic
- Mio Primary Care
- Munson Family Practice Center
- OMH Family Practice Clinic
- OMH Indian River Clinic
- OMH Internal Medicine Clinic
- OMH Lewiston Clinic
- Prudenville Community Health Center
Primary Care
- Roscommon Community Health Center
- Will expand to some specialty practices
later this week.

Northwest Michigan Health Services

Heidi Britton

CEO

Vaccine Allocation

- Each FQHC, Health Department, Hospital, Primary Care Office, Pharmacy (CVS and Walgreens), etc. are receiving vaccine allocation separately at different times.
- Counts and requests are based on the number of employees, patients, and residents.
- Allocations continue to remain uncertain.
- Over 270,000 doses requested to the State, and only 60,000 filled.
- Our collective goal is fair and equitable distribution, however, there is no centralized process, so it will look different in each county.

Northwest Michigan Health Services

Serving western counties from Traverse City to Shelby

- At this time Northwest Michigan Health Services is unable to order vaccines.
- Our hope is to order in two weeks.
- **At this time we are partnering up with the LHDs to help support their vaccination efforts including vaccinating patients of NMHSI.**
- **Please contact your local Health Department to sign up.**
- The Mobile Health Clinic has arrived and being prepared to be used to deliver the vaccine into our rural communities.
 - Focusing on those most vulnerable (egg. People with chronic illnesses, homeless, migrant/agricultural workers, group living, minorities and others with barriers to accessing healthcare)
 - Contact Information:
www.nmhsi.org or call **231-947-0351**

**Grand Traverse County Health
Department**

Wendy Hirschenberger, M.P.H.
Health Officer

Grand Traverse County Health Department

Wendy Hirschenberger, MPH

- **Focus of Distribution Plan**

- Completing Phase 1A, preparing for Phase 1B
- Goals of vaccinating nearly 700 this week based on current vaccine availability
- Vaccination clinics are expanding to larger scale on January 18th expanding to that same amount of people daily starting week of 18th (*3500 based on vaccine availability)

- **What to know:**

- **1)** If you are in the 1A category and have not done so, please fill out the survey on our website; **2)** 1B may also fill out a planning registry form.
- We will reach out to you to schedule your appointment. No walk-ins.
- We appreciate your enthusiasm to receive the vaccine and we are working!

and**

Health Department of Northwest Michigan

Lisa Peacock, M.S.N., R.N., WHNP-BC
Health Officer

Health Department of Northwest Michigan and Benzie Leelanau District Health Department

Lisa Peacock, Health Officer

- **Focus of Distribution Plan**
 - Healthcare Workers in 1A first priority – 1st and 2nd doses
 - Beginning to schedule some in 1B starting with 1st Responders not in 1A
 - Strategizing with hospitals, FQHC's and schools to begin >65 and school staff
 - Working closely with County Emergency Managers – closed pod planning
- **What we want our jurisdiction to know:**
 - Visit the website to complete online form to get in scheduling queue
 - Businesses fill out 1 form for employee population
 - AAANM/UW/211 Aging Adult Hotline to assist those with barriers to internet
- **Information resources available:**
 - www.nwhealth.org
 - www.bldhd.org

District Health Department #10

Jennifer Morse, M.D., M.P.H., FAAFP
Medical Director

District Health Department #10

Jennifer Morse, Medical Director

- Due to vaccine limitations, we are prioritizing Phase 1A and some of Phase 1B including persons 65+, first responders, jails/corrections staff only
- DHD#10 vaccinated approximately 1,400 individuals on Friday
- Hosting vaccine clinics each day this week in all ten counties
- Clinics are by appointment only - no walk-ins
- Scheduling currently paused until more vaccine is available
- Will resume scheduling when more vaccine is available - check our website at www.dhd10.org
- Please refrain from calling to ask about scheduling; we will communicate via press release, social media, website, and Public Health Alert
- Sign up for Public Health Alerts at www.dhd10.org/subscribe
- Email: covid@dhd10.org

Thank you.
