

# Michael Saad

Chief Information Officer  
Munson Healthcare

Michael Saad is Chief Information Officer for Munson Healthcare. Saad joined MHC in the Fall of 2023, having previously served the University of Tennessee Medical Center as Senior Vice President and Chief Information Officer. In 2022, he was the recipient of the Orbie Tennessee CIO of the Year Award and has been named twice consecutively to the Becker's Healthcare "Top 100 CIOs to Know," including in 2023. Saad also has worked at the healthcare consulting firm, TrustPoint Solutions, and was Vice President and Chief Technology Officer, and Interim CIO, for Henry Ford Health in Detroit.

Saad received his MBA degree from Western Governors University and is a member of the College of Healthcare Information Management Executives. He is certified in LEAN for Healthcare and has been a national speaker at CNBC and Becker's Healthcare conferences.

Saad was born and raised in Michigan and is married with three children.
