

Riding for a Cause

Meeting the Needs of Our Patients

From the moment you walk in the door at Crawford Continuing Care Center, you'll notice the caring individuals and smiling faces. In communities like Grayling, you're sure to recognize the familiar faces of friends and neighbors in each of our patient care facilities.

The staff at the Crawford Continuing Care Center strive to create a loving, caring, and nurturing environment for everyone who walks through the doors. This year they continue to focus on creating a safe and nurturing outdoor space for residents who live and recover here.

The new patio area will include a covered pavilion to help shade residents and allow for them to enjoy our northern

Michigan summers. This space would also include a walking path for rehabilitation, physical therapy, and wheelchair accessible picnic tables.

The Black Bear Gran Fondo takes place Saturday, July 10, 2021. Dale LaPointe will ride the 100 mile loop starting and ending at Hanson Hills Recreation Area. This loop takes riders on both flat and gently rolling hills, past lakes, rivers, and forests in Grayling, Higgins Lake, Houghton Lake, Roscommon, and back to the start through Grayling. This ride will be a challenge.

Please help your friends and neighbors by supporting Dale LaPointe with a contribution today! Every gift makes a difference!
