Guidelines for Minors (17 years and younger)

Parent/Guardian signature required for entry

15-17 year olds may use the facility, including cardio, weight machines, free weights, basketball and racquetball courts, and group fitness classes. While direct parental supervision is not required, parents are responsible for the behavior of their children while at the facility.

12-14 year olds may use the facility, under constant adult supervision, including the appropriate cardio, machine weights, basketball and racquetball courts (No free weight area access). They may participate in group fitness classes with an adult. Parents are responsible for ensuring safe and proper use of equipment.

5-11 year olds may use the facility, under constant adult supervision, may use the basketball and racquetball courts, and participate in scheduled classes with an adult.
