MMC Nursing Grand Rounds

Current Practices in Adult Transfusion Medicine

Speaker:
William Kanner, MD
Pathologist
Medical Director Blood Bank MMC

Tuesday, November 6, 2018
4:55 PM – 6:30 PM
MMC Conference Room

Learner Outcomes
At the conclusion of this educational activity, participants will self-report knowledge gain using a Likert scale regarding:

1. Indications for use when transfusing any blood product.
2. Ability to recognize, manage and report all suspected or actual blood transfusion reactions.
3. Indications for implementing the massive transfusion protocol (MTP).
4. Use of appropriate communication tools, for example SBAR, for handling orders outside the evidence based practice guidelines.

Audience
Nurses, Advanced Practice Nurses, and Nursing Students
