

BENZIE AQUATIC CENTER SWIM LESSON CONSENT AND REGISTRATION FORM SUMMER 2021

The Benzie Aquatic Center (BAC) is a non-profit organization whose mission is to provide a facility for year-round healthful exercise opportunities for all people in the area, from infants to senior citizens. It is conducting a feasibility study to assess the viability and sustainability of building an indoor facility in Benzie County.

Because of its interest in increasing aquatic skills and water safety awareness in children from the Benzie County area, the BAC will be offering a pilot swim lesson program this summer free of charge for children who have completed K-6th grade. The program will take place at the Frankfort public beach at the intersection of Bellows Avenue and South Shore Drive East on Crystal Lake. Parking and restrooms are available at Bellows Park.

The classes will be one hour in length and offered from 10am-11am and 11am-noon on Mondays and Fridays starting July 12th and ending August 6th. No classes will be held if there is inclement weather. Skill testing will take place on the first day of class and children will be grouped according to their ability.

All children must be accompanied to the beach by an adult who will remain in the area during the hour-long lesson. There are no locker facilities, so children should arrive with a towel and wearing swimsuits. They may bring a bathing cap, goggles, etc. Restrooms are available.

The BAC will confirm the class time for each child prior to the first day of lessons. Any questions? Please contact Marjorie Pearsall-Groenwald at m.pearsall.g@verizon.net or 231-352-4296.

REGISTRATION FORM (PLEASE FILL IN ONE PER CHILD)

CHILD'S NAME : _____ AGE: _____

GRADE COMPLETED IN JUNE 2021: _____ PARENT'S PHONE #: _____

Please enroll this child in the class from (check one): 10:00-11:00AM 11:00AM-Noon

Parent/guardian signature: _____ Email address: _____
