

**Bargaining Update – July 27, 2018**

The thirteenth set of bargaining sessions between Munson Medical Center (MMC) and the MNA occurred on Thursday, July 26, 2018, from 11:20 am to 6:00 pm and on Friday, July 27, 2018, from 10:50 am to 5:00 pm.

Having reached tentative agreements on grievance/arbitration and safety earlier this month, the MMC and the MNA collective bargaining committees focused these sessions on performance evaluations and discipline, seniority, and language to prevent nursing strikes and lockouts during the term of a collective bargaining agreement.

Both sides passed new proposals on each of these subjects, and there was good discussion at the table. We will continue to bargain in good faith toward tentative agreements in these areas.

The next set of collective bargaining sessions will be on August 7 and 8.
