Competency Assessment Education Series

Audience: Nursing Managers
          Assistant Managers
          Educators

Registration:
* Via HealthStream
* Search Course Title in Catalog
* Choose Date, Time, and Location
* Enroll

Modules:

Module 1: Introduction to Competency Assessment
Goal: Provide an overview of elements included in the Munson Healthcare Competency Process.

Module 2: Identifying Ongoing Competencies
Goal: Identify and draft a meaningful ongoing competency according to the Munson Healthcare Competency Process.

**Note: Schedule Modules 2 & 3 roughly 3-4 weeks apart to allow participants time to meet with staff.

Module 3: Verifying Competencies
Goal: Prepare for verifying competencies in an effective and meaningful way.
