Ethics Mentors Course

The course is designed to educate healthcare personnel with a basic understanding of ethical principles so that they can identify and report ethical dilemmas in a timely manner. Ethics Mentors (EMs), in collaboration with the Bioethics Resource Committee and the Ethics Consultation Service, advance the ethical delivery of healthcare by assisting frontline staff in identifying, articulating, and reporting ethical dilemmas and moral distress as it is experienced in the delivery of patient care throughout Munson Healthcare.

When: Tuesday, October 27th, 2020 8-4:30pm
Where: Cowell Family Cancer Center, Basement Conference Room B031

Target Audience: Nurses, Social Workers, Case Managers, MD/DO, PA/NP, Clergy, Risk Managers, other healthcare clinical staff

Presenters: Stephanie VanSlyke BA, RN, Terri LaCharite LMSW, Michael Daray JD, and Shawn Dahlstrom MSN, RN, CNS, CNOR

Learner Outcomes

At the conclusion of the educational activity, participants will:
• Self-report knowledge gain of how to identify and report ethical dilemmas in a timely manner.
• Correctly apply new techniques for managing ethical situations by analyzing a case study.

Registration

Self-enroll via your Healthstream account. Course is limited to 30 students to enhance group discussion on a first come first serve basis. Please un-enroll via your Healthstream account if you are no longer able to attend. This allows space for others who may be on a wait list.
