*Counts are based on midnight census*

*Inpatients are those COVID-19 patients requiring hospitalization.*
MHC Hospitalization Trends

Inpatient COVID Cases by Day

- Total Daily COVID IP Count
- Daily COVID-positive IPs
- Daily COVID-suspected IPs

Updated: 05/04/2021
Hospitalization Trends: Age and Benefit of Vaccine

Data collected by the Michigan Health & Hospital Association (MHA)
COVID-19 Vaccine Distribution

Munson Healthcare has provided more than 76,000 doses of vaccine through Mass Vaccination Clinics, Family Doctors, and Local Health Departments.
MI Vacc to Normal Challenge

**WE ARE HERE**

48.8% VACCINATED
as of April 29, 2021
Michigan residents (16+) who have received their first dose of a COVID-19 vaccination.

**STEP 1**
55% PLUS 14 DAYS
- Lift the state's requirement for employers to require remote work when feasible.

**STEP 2**
60% PLUS 14 DAYS
- Increase indoor capacity at sports stadiums to 25%.
- Increase indoor capacity at conference centers/banquet halls/funeral homes to 25%.
- Increase capacity at exercise facilities and gyms to 50%.
- Lift the curfew on restaurants and bars.

**STEP 3**
65% PLUS 14 DAYS
- Lift all indoor percentage capacity limits, requiring only social distancing between parties (e.g., lifting 100-person cap on restaurants and 300-person cap on other facilities).
- Relax current limits on residential social gatherings.

**STEP 4**
70% PLUS 14 DAYS
- Lift the Gatherings and Face Mask Order. No longer impose broad mitigation measures during this pandemic, unless the virus threatens to overwhelm the medical system, or other unanticipated circumstances arise, such as the spread of vaccine-resistant variants.

MDHHS
MiOSHA may delay implementation if new cases remain >250 daily/million as a seven-day average at the time of implementation.
MDHHS may delay implementation in a MERC region if new cases remain >250 daily/million as a seven-day average at the time of implementation.

+70%
Keep vaccinating eligible Michiganders to save lives and end the pandemic.
It’s OK to Have Questions!

• Your primary care doctor knows you best.

• Talk to your primary care doctor if you have questions about the COVID-19 vaccine.

• Munson Healthcare also offers an Ask a nurse line.
Community and High School Satellite Clinics
- COVID-19 community clinics underway in GT County
- Several walk-in clinics this week. Weekly schedule announced every Monday.
- Offering a choice of Pfizer and Johnson & Johnson for most walk-ins.

Construction at NMC’s Hagerty Center
- Circle drive and front entrance are inaccessible
- Park on either side, but must enter via walkway alongside Grand Traverse Bay and waterfront courtyard

Homebound Hotline is LIVE
- 231-995-6084
- If you or someone you know is unable to make it to a clinic or office for a vaccine, a home visit can be arranged. Leave message and someone will call you back.

Vulnerable Populations - those who can’t get vaccinated
- Children under 16 years
- Anyone that has been advised against receiving vaccine for medical reasons
- Protecting yourself is protecting your community.
- Vaccination of yourself prevents transmission to others.
WALK-IN CLINIC SCHEDULE - May 3 - 7:  Protect yourself and the community… get your shot today!

Date: Tuesday, May 4  
Clinic Location: NMC’s Hagerty Center (715 E. Front Street Traverse City, MI)
