## Munson Healthcare Behavioral Health Service Line Update

In an effort to provide services while protecting patients and staff amid the ongoing COVID-19 pandemic, Munson Healthcare Behavioral Health Services has moved to the following status at Munson Medical Center and system hospitals.

### Munson Medical Center

**Inpatient Behavioral Health:** D6 remains open and serving patients as usual

**Outpatient Psychiatric Services:** Providing telephonic services to current patients

**Outpatient Individual Mental Health and Substance Use Disorder Therapy Services:** Providing telephonic services to current patients

**Recovery Coaching:** Providing telephonic support

**Outpatient Group Therapy:** Suspended with ongoing evaluation and intent to re-open when able

**Partial Hospital Program:** Suspended with ongoing evaluation and intent to re-open when able

**Residential Substance Use Disorder Program:** Suspended with ongoing evaluation and intent to re-open when safe

Questions: **231-935-6382**

If you need support with any urgent behavioral health patient concerns, page our Consult-Liaison Psychiatrist through the MMC Switchboard, 231-935-5000, Monday – Friday, 9 am – 4 pm.

### System Hospitals

#### Cadillac Hospital

- Phone outpatient visits via Cadillac Primary Care/Wexford PHO

#### Charlevoix Hospital

- Outpatient psychology services being provided via video and phone

#### Grayling Hospital

- Phone outpatient visits

### Overall

We are working quickly to open capacity to enhance tele-services throughout the system and will update that as soon as this is in place.

We appreciate all that you are doing for your patients and our communities in the face of this challenge.
