Health Care Team members will go through the following health screening:

1. Do you have a fever (over 100 degrees) or shortness of breath?

2. Do you have a cough and sore throat?
3. Have you been in contact with someone with a confirmed diagnosis of COVID-19 in the last 14 days?

If they answer “**no**” to all 3 questions, they will be admitted to work.

If they answer “**yes**” to any of these questions, they will have an additional clinical screening:

- How long have you had these symptoms?
- Do you have any muscle aches?
- Do you have any unusual fatigue?
- Have you been in contact with anyone who has been sick?

Depending on the answers to these additional questions, **the person will be referred to Employee Health for next steps**

**We understand that these health screenings may cause delays and frustrations, but they are by order of the Governor and our visitors. Thank you for your cooperation and patience.**
