News for Munson Healthcare Otsego Memorial Hospital Medical Staff

## Hospital Expansion and Renovation Project Update

Munson Healthcare Otsego Memorial Hospital is making headway in the process of expanding its existing campus. The project is broken into 5 phases that will ultimately increase the size of the Emergency Department, Ambulatory Care, and Surgical Services. Phase 1 includes new construction extending the building 60 feet to the North and is approximately 64% complete.

Currently, the project is on schedule with all new construction expected to be completed and the space occupied by November 2018,

at which point the Emergency Department will have two new trauma bays, and Surgical Services will have a larger, 680 sq. ft. operating room to accommodate the da Vinci® Surgical System for minimally invasive robotic assisted surgeries. Sterile processing will move from the second floor to the basement with a designated elevator that is currently being installed, and new PACU bays will be open.

Other projects completed in Phase 1 include the installation of the north stairwell, structural steel and an air handling unit, and roofing has been added

onto the new construction. Phase 2 will begin sometime in November of this year, and the

overall project is approximately 35% finished with a completion date estimated for December 2019.

*Making progress in the new operating room dedicated for da Vinci Surgical System.*

## OMH Foundation 21st Annual Golf Outing Recap

The 21<sup>st</sup> Annual Munson Healthcare Otsego Memorial Hospital Foundation Golf Outing was held on Thursday, June 14 at Treetops Resort in Gaylord. This is the premier fundraising event for the OMH Foundation, and this year's event registered 260 golfers and raised more than \$96,000 to support programs and services for patients at OMH. Golfers enjoyed both the Fazio

Premier and Smith Signature courses on a beautiful, sunny day.

The Foundation would like to extend a special thank you to Fifth Third Bank, the Premier Event Sponsor, along with new and returning sponsors and golfers, and the volunteers who helped make the event a success. Since its inception, the golf outing has raised over \$1 million in support of the patients and communities served by OMH.

The event concluded with an awards banquet luncheon and raffle. Prizes included overnight stays on Mackinac Island, Lions tickets, a Bennethum's Northern Inn wine dinner, and more, all generously donated to the Foundation.

Save the date for next year's outing – **Thursday, June 13, 2019.**

# Community Open House Event Planned at OMH Medical Group – Lewiston

OMH Medical Group – Lewiston recently underwent a complete renovation and expansion that significantly increased the size of the clinic and the services offered on-site. The expansion and renovation are intended to meet the growing needs of the communities surrounding the clinic, offering close to home health care for residents of the Lewiston and Atlanta areas.

The clinic has doubled in size, and includes both a larger clinic space and parking area for patients. The new space saw an increase from ten to fifteen exam rooms, including two new procedure rooms. Rehabilitation Services at OMH Medical Group – Lewiston received an additional 200 square feet of space, and they will be able to offer more appointments for rehabilitative care with the addition of occupational therapy.

The expansion and renovation are intended to meet the growing needs of the communities surrounding the clinic, offering close to home health care for residents of the Lewiston and Atlanta areas.

The expanded and renovated space now offers additional rotating specialty services and expanded radiology services, such as ultrasound. The clinic already offered x-ray, bone density, and mammography.

A larger waiting area and more convenient patient parking further enhance the patient experience at OMH Medical Group – Lewiston. Extended weekday and weekend hours of operation ensure that quality health care will be even more accessible close to home.

To celebrate the newly renovated clinic, a community open house event is scheduled for **Wednesday, August 29 from 5 – 7 pm** at OMH Medical Group – Lewiston (3040 Bourn Street, Lewiston). Community members in the Lewiston and surrounding areas are invited to tour the new space, chat with providers and staff, and enjoy light refreshments. Dr. Stephanie Rutterbush, the newest provider to join the OMH Medical Group – Lewiston Family Practice team, will be available to meet with attendees, as well. OMH providers and staff are encouraged to attend the event, tour the new space, and learn more about services that will be available for patients in the Lewiston and surrounding area.

The new patient waiting area has seen a significant increase in space.
