## **COVID-19 Vaccine Administration Documentation** for Nurses

### Cerner PowerChart Ambulatory EDUCATION

#### **COVID-19 Vaccine Administration**

- 1. Schedule the patient for a **Nurse Visit** or an appointment, such as a **FP Established Patient visit**, as appropriate.
- 2. Access MICR to validate the patient vaccine status. Refer to the Immunization Manual for instructions.
- 3. Enter the order for the vaccine by searching for Moderna, Pfizer, or Janssen in New Order Entry.

# **COVID-19 Vaccine Administration Documentation** for Nurses

### Cerner PowerChart Ambulatory EDUCATION

- 10. Complete the fields in the form (yellow fields indicate required data).
  - a. Type or scan the barcode to enter the **NDC number**.
  - b. Select the correct vaccine Charge.
  - c. Select the correct Administration
     Charge Code. Ensure you select
     the correct dose number (#1, #2, #3 or Booster).
  - d. Enter the remaining required fields.
  - e. Enter any pertinent order comments, including any reactions and/or vaccine tolerance.
  - f. Click the **green check** to sign the form.

- If additional reaction or vaccine documentation is needed, follow the current practice guidelines used for immunizations.
- 12. To modify or unchart vaccine information after the task is completed, refer to the <u>Immunization Manual</u>.
