Intergy EHR, Ambulatory JOB AID

## Adding a Care Team Provider

Providers who participate in the care of a patient are to be added to the patient's chart as a member of their Care Team. This is important to the coordination of care as well as patients having visibility of their Care Team in the patient portal.

- 1. Select the Info component in the patient's chart.
- 2. Click the Care Team caret.
- 3. Click Open.

4. Choose Add Care Team.
