

Doxy.me Meeting History Review Instructions

The screenshot shows the Doxy.me Analytics interface. On the left is a navigation sidebar with 'Meeting History' highlighted (1). The main area has 'Meeting History' selected in the top navigation (2). In the top right, a dropdown menu shows the selected room '/vucprovider (shared room)' (3). Below, a table displays meeting data for March 7, 2022, with a duration of 8:15 highlighted in the 'Duration' column (4).

Date	Provider	Room	Start Time	End Time	Duration
Mon Mar 7 2022	Bonnie Kruszka	/vucprovider	12:31 PM	12:39 PM	8:15

1. In Doxy.me, on the left-side panel, select Meeting History.
2. Navigate to the Meeting History tab at the top of the page.
3. Select the appropriate room in the top right corner (vucprovider for Virtual Urgent Care providers).
4. The Duration column indicates how much time was spent in the video visit with the patient.
