## **Viewing My Registries and Quality Scores**

- 1. Click **View Registries Performance** in the Registry Population Statistics section of the home page to view your registries treemap. Your quality score is displayed above the treemap.
- 2. Select a registry from the All Registries list to view the measures for that registry, or double-click a registry.
- 3. Select **Completion %** or **Met %** to sort the list by the selected percentage.
- 4. Click the **table** button to view the registries on a table.
- Click a registry or measure, then click View Filtered Persons to view a list of the people for that registry or measure.

See the Working With Registries job aid for more information.

lan Calvert Family Medicine 4,759 Persons 33% Complete	Quality Score 30.12%		
All Registries * Met % *			
0% Met Breast Cancer 1 Persons Qualified 0% Completed		5% Met Pediatric Wellness 1,181 Persons Qualified 6% Completed	
10 <sup>‰</sup> Pediatric Diabetes	27% Met Diabetes		32% Met Adult Wellness

### Viewing a Scorecard

 Click the scorecard graph on the home page to view your scorecard treemap. Your composite score is displayed above the treemap, and the treemap is sorted by the top opportunities to improve your score.

3 rd Ranked Opportunity	4 <sup>th</sup> Ranked Opportunity Nutrition Asmt. or Counseling		6 <sup>th</sup> Ranked Opportunity Antiplatelet Therapy						
1 <sup>st</sup> Ranked Opportunity ACEI/ARB Therapy 18 more needed to reach target		2 <sup>nd</sup> Ranked Oppo Tobacco Use Sc 1 more needed to r	ortunity reening and Cessation reach target						
All Categories      All Registres      Opportunity Rank      Opportunity Rank									
Ian Calvert Family Medicine 4,548 Scorable Persons 4,759 Persons	Composite Score 27.75%								

- 2. Select or deselect **Top Opportunities** to view top opportunities or all measures.
- 3. Select a category from the All Categories list to view the measures in that category.
- 4. Select a registry from the All Registries list to view the measures for that registry, or double-click a registry.
- 5. Select **Opportunity Rank**, **% of Target**, **Met %**, or **Completion %** to sort the list.
- 6. Click the table button to view the measures on a table.
- 7. Click a measure, then click **View Filtered Persons** to view a list of the people for the measure.
- Click Scorecard Details to view additional details regarding the metrics on the scorecard, including the the numerators and denominators for the measures, their percentage achieved versus the target, and the impact the measures have on your composite score.

See the Working With Scorecards job aid for more information.

#### **Comparing Provider Performance**

Search for and select a provider, or click the **Registries** tab, select an organization, then click **Provider List** under the organization name. The quality score for the provider is displayed and you can view the provider's registry and measure information on a treemap or table.
