

Virtual Urgent Care: Transcribe Laboratory Result Form for Virtual Urgent Care Staff

Cerner PowerChart Ambulatory EDUCATION

Summary: There will be a new PowerForm to transcribe BUN and Creatinine results into the Results Review area of the patient's chart.

Accessing the Transcribe Laboratory Results PowerForm

- 1. Navigate to Ad Hoc.
- 2. Open the Ambulatory Care folder.
- 3. Open the Additional Assessments folder.
- 4. Click the check box next to Transcribed Laboratory Results.
- 5. Click Chart.
