

Ambulatory Visit Summary (AVS) Distribution for MHC Virtual Urgent Care Providers

Cerner PowerChart Ambulatory EDUCATION

AVS Creation and Distribution

1. After the Video Visit Note, go to the Create Note section at the bottom of the Workflow.
2. Click More.
3. Select Ambulatory Visit Summary.
4. Review the AVS and edit as needed.

5. Click Sign/Submit to send the document to the patient's portal.
