

Work Note Distribution for MHC Virtual Urgent Care Staff

Cerner PowerChart Ambulatory EDUCATION

1. Select Communicate from the top of the toolbar and select Message from the drop down.

- 2. Select the Work Restriction Letter and appropriate settings:
 - a. Check the To consumer checkbox. This sends the note to the patient's portal.
 - b. Select General Message.
 - c. Select the subject: Work Restriction Letter.
 - d. Enter the note content in the Message section.
- 3. Click Send.
